2. We also informed [REDACTED] that a fifth vehicle would not be dispatched to Detachment A prior to mid September and at that time a decision would be made as to whether the vehicle went to Detachment A or B. Furthermore, we are unable to state at this time if it will be necessary for a full crew, or less than a full crew, to accompany this particular vehicle. As soon as we have an indication along these lines we will, of course, inform [REDACTED].
